Experience Refinement.

Founded in 1978, Houston-based McEvoy & Co. is an established CPA firm and a growing software provider of customizable and leading-edge business solutions. As a Microsoft Certified Partner, our solutions are designed to simplify business processes for growing businesses. We take a CPA/consulting approach to every project, in addition to enhancing and defining business management software that helps companies gain a higher return on their investment.

McEvoy & Co. strives to give their customers the accurate and high-quality information they deserve to move above and beyond their expectations. To do this, we provide:

1. On-site, web, or phone training
2. Long-term technical support, customizations, and enhancements to your software
3. Regular discounts
4. Consecutive upgrades
5. Enhancement costs included in the price of your software purchase
6. Constant & Continuous Microsoft® innovation designed to grow with your business
